Standard Playgroup Agreement/Waiver

Raintree Pet Resort + Medical Center will perform a temperament test on all dogs prior to introduction into a playgroup. The cost for this is \$15.00. The temperament test allows the opportunity for a dog to be slowly introduced to a playgroup while under the close supervision of a "playground attendant." We will review the pet profile provided by the pet owner/agent and use that information in conjunction with the temperament test to determine your dog's suitability for a playgroup. We will make every effort to place dogs in appropriate groups based on temperament, energy level, and age. Raintree Pet Resort + Medical Center reserves the right to refuse group playtime to your dog if any aggressive behavior is exhibited towards another dog or human. We understand that, like people, dogs may have a bad day or not get along with certain dogs. If this is the case, we may remove your dog from the group for a "break" or offer individual Playtime instead.

All vaccinations must be current. Proof of current Rabies, DA2PP, and Bordatella must be provided prior to admittance into a playgroup. In addition, all dogs over the age of six months must be spayed or neutered.

Raintree Pet Resort + Medical Center will practice diligence to ensure the safety, well being, and happiness of every dog in a playgroup. However, there will be certain risks associated with allowing the freedom of dogs interacting with other dogs. Even with constant supervision, nips, scratches, muscle soreness, disease and dog fights may occur. Each pet owner needs to understand the risks involved, and that it will be the responsibility of the pet owner to take care of any veterinarian charges.

By signing below, I understand and agree to the terms stated above. I understand the risks associated and I authorize Raintree Pet Resort + Medical Center to seek medical attention for my dog if necessary, and agree to pay for any and all fees incurred. In addition, by signing below, I release Raintree Pet Resort + Medical Center and its employees from any and all liability for any injury or damage that may arise from, but not limited to, actions from another dog during group play.

Raintree Pet Resort + Medical Center prides itself on providing a safe, happy, and comfortable place for our canine and feline friends and their owners. In addition, we are always open to suggestions on how we may make you, and your dog's, visit with us even better.
